Review of Prior Business:

Carissa reviewed prior business with board.

- Dillons quarterly we received \$106.31 (Jan - Mar)
- I drew a name from all 6 categories for teacher likes for February and March and purchased their favorite drink and snack. Very appreciated by them!!
- We provided prizes for students for the building wide reading challenge.
- We gave away a \$20 gift-card to QT to all teachers, had the donut truck come in for all staff, and had treats brought into the office for all the staff for teacher appreciation week. We had several messages of thanks and appreciation. They all felt very loved!
- For spring conferences the teachers were allowed to go remote, so we cancelled the Jason's Deli luncheon and rescheduled for a different day, but it was very well received.
- We did our quarterly treats in the lounge for the teachers in February.
- We purchased \$20 gift-cards to QT for all 3 custodians after those very cold days to show our love and appreciation for them, and they were very grateful!
- We paid a large portion to the outside enrichment project to beautify our school! It looks nice, and we have had several notes of appreciation on that.
